"Fresh from the Gardens"

A New And Better Viewpoint

The recent annual convention of the Canadian Chambers of Commerce bed at Winnips, was, it is generally recognized, one of the most important and in ranny rispects the most significant gathering yet held by that body It was not only one of the largest assemblages of outstanding men in the financial, industrial and commercial life of the Dominion yet convened, but Rappears to have been animated by a new spirit based upon a fullur recognition of the seponalbilities of what has been termed bligg and commercial with the sense of the recognition of the seponalbilities of what has been termed bligg and commercial with the sense of the recognition of the seponalbilities of what has been termed bligg and community who, in the hast annalysis, are the backbone of the nation.

Important resolutions dealing, with matters of far-reaching social and connuctive sense of the sense of the sense of the sense of the negotial continuous of a Reciprocity Agreement with the United States in matters of trade. The adoption of this resolution in their cross the change in Significant, Ioo, were some of the addresses delivered by men occupying high executive positions in the industrial world. For example, Mr. T. A. Russell, president of the Massey-Harris Co., be due to even the success of industry and farming were wrapped up together in Canada is a way which nothing could separate, and he gave facts and figures to prove it. As the purchasing power of the farmer declines case of the Massey-Harris Co., be said, employment through no fault of their own," he said, "but it has tremendously affected their purchasing proved a hardship for the men thrown out of employment through no fault of their own," he said, "but it has tremendously affected their purchasing proved a hardship for the men thrown out of employment through no fault of their own," he said, "but it has tremendously affected their purchasing the second of the said of the farmer of the fortunative." Mr. Ressell strongly uneal the should necessity of complete and generous co-operatio

cither for the farmer or for inclusive." Mr. Rossell strongly urged the abmobilet necessity of complete and generous co-operation with the farming
